"Our logistics solutions that will run your business"

[www.globallogistics.com.kw](http://www.globallogistics.com.kw)

Global Logistics is a private owned Kuwait based company specialized in logistics services in the Middle East region as well as global opportunities.

Founded in 1985 as a local transporter, later on expanded to a more complex and sensitive services company which positioned the company to become a Third-Party Logistics provider.

Global is considered one of the local pioneers in the field of logistics outsourcing used by major manufacturers and exporters in Kuwait. It has the facility of providing both tailored logistics solutions and generic services. Global is determinedly committed to provide high quality, cost effective and integrated solutions tailored to meet customers' needs as it is a complete solution provider.
